

## WELCOME TO THE HIGH SCHOOL DRIVER EDUCATION PROGRAM

### How to enrol

You can sign up for Driver Education courses in two easy steps:

1. Go to [www.mpi.mb.ca](http://www.mpi.mb.ca) to view a list of available courses.\*
2. Go to your nearest Autopac agent with your parent/guardian to get set-up as a Manitoba Public Insurance customer, register, and pay for your course.

### Identification requirements

You need to establish your identity to register for Driver Education. Remember to bring your identity documents when you go to register at any Autopac agent. For more information and to view a list of documents you can use to prove your identity, please visit our website at [www.mpi.mb.ca](http://www.mpi.mb.ca), select *Driver Education* and then click on *Enrolling*.

### Cost and course overview

The \$50 cost of Driver Education includes 34 hours of classroom instruction, eight hours of driving, and eight hours of in-car observation. You must be at least 15 ½ years of age to qualify for a learner's permit under this program.

For a list of complete course requirements, go to [www.mpi.mb.ca](http://www.mpi.mb.ca), select *Driver Education*, select *Enrolling*, and then click on the *Driver Education Registration Guide*.

### Convenience and flexibility

You can register and pay for your Driver Education course in one visit to any Autopac agent. For information on course start dates and locations, go to [www.mpi.mb.ca](http://www.mpi.mb.ca), select *Driver Education* and then click on *Course Finder*.

*\*Depending on your school and school division, you may be able to take Driver Education at another school. However, restrictions may apply as individual schools set their own rules about who may register for classes.*
