## Annual I.C.S. Heritage Fair

Come to the **Immanuel Christian School Annual Canadian Heritage Fair!**

Come visit many exciting displays and learn more about Dairy Farming, Winnipeg Hydro, Laura Secord ... just to mention a few!

The grade 5, 7 and 9 students are looking forward to showcasing their projects on **Monday, evening, April 8, 2013**. The fair will begin at **7:00 pm**. in the I.C.S. gym. Watch the Messenger for results as to who will be going to the Red River Regional Heritage Fair on May 2, 2013!

## Good Eating and Good Hunting!!

Come to Immanuel Christian School's

### MYSTERY DINNER THEATRE

Sitting amidst the splendor of Ancient Rome, enjoy flavourful food, stimulating conversation and entertainment, an exciting auction action, as well as friendly fellowship . . . Or is everyone there truly a friend? For one of our noble guests has dared a deed that may bring Caesar's wrath upon us all, or worse, the destruction of Rome itself. Can you guess which cunning courtier has committed the crime, and uncover the hidden identities of long-lost kinsfolk and dictators in disguise?

Doors will open 6:00 p.m. each evening

First course served at 6:30 p.m.

**Friday, May 10:** Gala Dinner: **\$30.00** per person;  
reserve a table for **8** at a cost of **\$200.00**

**Saturday, May 11:** Dessert evening: **\$10.00** per ticket; **\$25.00** for a family.

Watch for "when and where" tickets can be purchased.

Come prepared for a leaven of laughter while you untangle a skein of skullduggery.

**Constructive people needed!** Every Saturday in April, Andrew VandenHoven will be making the sets for the play in Immanuel Hall at the school from 9 a.m. – 4 p.m. If you have already volunteered to help him, we look forward to seeing you there. If you have not yet volunteered, feel free to drop in any time during the day.

**Many hands make light work!**

## From the Principal – Mr. P.Veenendaal

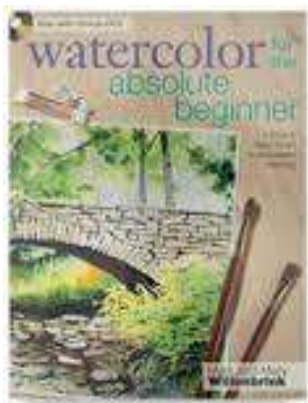

We are running into some conflicts with scheduling certain events. Some dates are just too popular. You have probably noticed that our gala dinner / drama evening will be held on May 10. That is the same date scheduled for Grandparents' Day; I realize that one is in the daytime and the other is in the evening and does not need to pose a problem. **However, our Drama group will have completed a lot of decorating already to get the gym ready for their performance so it would be better for them if the Grandparents' Day program could be changed. Would that be a problem for anyone out there? For example, sometimes grandparents fly to Winnipeg just for this event and we do not want to disappoint any one of you.** Please let us know immediately if such a change would cause problems for anyone you know so we can schedule our events accordingly. Thanks very much.

Speaking of dates ... we invite you to come out on Monday evening, April 8 beginning at 7:00 in the I.C.S. gym and check out the many heritage fair displays. Our grade 5, 7 and 9 students are eager to share with you what they have learned in the past months.

After the Easter Assembly, representatives of The Royal Canadian Legion made several presentations to I.C.S. students who entered the Literary and Poster Contest in the fall. Check next week's Messenger for complete details. Congratulations to all our students.

## GENERAL NEWS:

1. **NOTE to cast of *Tooth and Nail*:**

**Practice schedule for April (in school GYM):**

**Each Thursday evening, 7-9**

**Each Saturday afternoon, 2-4**

**As for rehearsal and play dates, May 8-11:**

- Rehearsals: **Wednesday, after school until...?**

**Thursday, after school until...?**

- Play: **Friday, after school until...?**

**Saturday, 3:00 until...?**

**2. Crafters/Bakers wanted!** BLT has been invited out to Kenora's Spring Craft Sale on April 20th and we would love to have a table full of neat items and baking to sell! If you are able to contribute to our craft table, we'd love to hear from you - just let Charlene know at 224-5373 or [orctoc@mts.net](mailto:orctoc@mts.net).

**3. ICS ProFund** is looking for a couple of helping hands in the processing of their orders. Knowing the Excel program would be an asset. This volunteer position would likely be one half morning a month. Please contact Robin Cavers if you can help us out at [204-777-0371](tel:204-777-0371). Just for your information: ProFund will be processing orders every Monday morning during the month of April with the profit proceeds going toward helping pay for the new score clock. Can we count on your support?

**4. Mabel's Labels Fundraiser** Since the last Mabel's Labels fundraiser about a year ago, more people have been talking about ordering labels for their families and kids. These labels can be personalized for each child/family and can label almost anything, from your kids' cups, clothes and shoes to your Tupperware, bakewear and spice rack! Kids love them because they're fun and colourful, and Moms and Dads love them because less "stuff" gets lost. It's a great time of year to order these for your kiddos, so their things can be labeled before field trip season starts and summer events, trips and camps take place. We've organized this fundraiser in support of Cornerstone Christian Care Society, so order away! To order, use this link: [www.cornerstone.mabelslabels.com](http://www.cornerstone.mabelslabels.com) and choose, customize and order your labels. You pay through the site and your labels are sent straight to you. Cornerstone will receive 20% commission on any order. Please be aware that Cornerstone will not receive commission on some products (Loot Bag Combo and any specials/sales). Keep an eye out when ordering, since it should say under the product if it doesn't qualify for the fundraiser.

This fundraiser will begin now and run until June 3rd. The earlier you order, the sooner you receive your order!

## **5. MUSIC NOTES!**

We are heading into concert season. I specially mention the "60<sup>th</sup> Anniversary Spring Concert Series" to commemorate the 60<sup>th</sup> anniversary of the institution of the Canadian Reformed Church in Winnipeg (February 15, 1953). On Thursday you would have had the opportunity to attend a Panflute & Organ Benefit Concert. Here is what is happening in the near future.

- **May 5:** Jubilate Deo Spring Concert at 7:30 pm – Grace Canadian Reformed Church. High lights include some selections from Mendelssohn's masterful oratorio Elijah.
- **June 2:** Organ & Instrument Concert at 7:30 pm – Grace Canadian Reformed Church. This concert will feature home-grown Manitoba talents with a number of organists and other instrumentalists. Audience participation will be an important element of the evening.

6. Check out the Student Blog at [www.icsstudentblog.org](http://www.icsstudentblog.org) published **every weekday** this week, for April Fool's news.

## **7. Where to shine as lights in the world with your writing (see Mr. Dykstra for more info):**

- a. Write or e-mail the media, its ad sponsors, or your MLA or MP.
- b. Check [www.arpacanada.ca](http://www.arpacanada.ca)'s action items or visit [www.lifesitenews.com](http://www.lifesitenews.com).
- c. Click on the tag *activism* or *reasons-to-write* on [www.delicious.com/literatureman](http://www.delicious.com/literatureman).
- d. Check out essay contest from CMU on bulletin board downstairs.

**8. BLT News:** BLT is back from their trip and oh, what a trip it was! Many adventures and lots of memories were made! And the BLT season is not quite over yet! We will have a table at the craft sale in Kenora on April 20th, so time to explore what crafts/baking you would like to contribute to that. The theme of the sale is Mother's Day so keep that in mind when you are making things. There is also the mini-performance on Saturday evening, April 27th. There will be a practice after school on **Wednesday, April 24th** just to review what we are doing for the 27th. So mark those dates on your calendars!

## **ELEMENTARY CLASSROOM NEWS:**

**Kindergarten – Mrs. Nyhof** We had a full week of school. The students were surprised to see so many changes in the classroom (new seating plan, new bulletin boards, new ABC chart, new centers including an airport and the big barn and the projector is hanging from the ceiling thanks to Mr. F. Jonker). We started our new unit on spring by planting some seeds and talking/reading about signs of spring. I invite the children to bring in signs of spring when they find them. It looks like it may be a few weeks before we will have those. Since the weather is not consistent yet, may I suggest you send your children to school with layered clothing. They can “peel off” layers as the temperature warms up during the day. The teachers on duty for recess will determine what may be taken off or kept on.

Here is what’s planned for next:

**Class Helpers:** Mon.: **A. Versteeg**; Wed.: **J. Welch**

**Monday: Library books and home reading bags (5 books) are due.**

**Bible Stories:** M: Solomon’s Anointing, Solomon’s Choice; W: The Building of the Temple; F: The King Leads the People into Sin, No Rain

**Memory Work:** Song: **Hymn 45:1**, Text: **Matt.28:6a “He is not here; he has risen, just as he said.”**

**Show and Tell:** Mon: Caleb, Chelsea, Cohen; Wed: Finnley, Julie, Katie; Fri: Mikaela, Nicole, Noah D.

**Math:** Measuring Vocabulary, #9 & # 10

**Language Arts:** Much of the Kindergarten Curriculum is integrated throughout the day. In the next few weeks we will begin journal writing on a daily basis, guided reading and a new home reading program based on your child’s reading level. Exciting!

**Theme:** Spring & Trees

**PhysEd:** Manipulative Skills

### **Grade 1: Mrs. Heidema**

*Parents thank you again for coming for a Parent Teacher interview. I certainly enjoyed touching base with you again. How fast these Grade 1 students develop and grow! It is amazing and humbling to see so much process in various ways.*

*At the end of this week the students are back into routine. This took a few days, surprisingly! Well, we’re all eagerly awaiting Spring; more sunshine and playing outside will do much good to all of us.*

*Finally, in Art the students are busy preparing their entrance for the Transcona Biz banner contest. The theme is ‘Good neighbours/ good community’, which ties in nicely with some Social Studies topics. We talked about who our neighbours are and what makes a good neighbour. They remembered their memory work, in which God commands us to love our neighbour as ourselves. Let’s strive for that, Grade 1!*

**For next week:**

**Helpers:** Keith, Abigail, Fenton and Joshua V.

**Memory Work:** Song: H 78:1(due Friday April 12) *Yes, we did this one already. A mistake in the schedule...;* Text: Philippians 4: 12b-13 (due Friday April 19)

**Bible:** We will pick up the Old Testament stories again. This week we will learn about the spies in Jericho, crossing the Jordan and the fall of Jericho.

**Word Wall Words:** Week 26: old – tell – boy – want.

**Letter Work:** The students work more independently during Reading Centers now. For some it is hard to use their time wisely, but we will get there! If your son/daughter has to finish work at home it is not because there was not enough time, but because they have to learn to prioritize their tasks. First do what has to be finished, then there is time left to do what you like best. That’s a lesson for life and not only for students...;-)

**Math:** We’re almost done with the doubles, please go over the rhymes once more (see previous Messenger). Now we will do the near doubles, for instance, 8 + 7. You can find the answer if you know your double facts! (8 + 8 or 7 +7).

## **Grade 2: Mrs. Vandermeulen / Mrs. Buist**

\*Please take note of the Social Studies homework for next week!

We had a pretty good week after the break. It took a few days for some to settle back into routines but we are ready to head into the final term now! Have a good weekend!

For April 8-12:

**Memory Work:** song = Psalm 137:1 (due April 12). Text = Romans 5:8(due April 12 ) But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.

**Bible:** We are starting on our final Bible Unit for the year. It will be more of a look at Jesus' Ministry with his "final" days on earth.

**French:** We have learned the French version of our National Anthem. I will be checking to see how well they learned it on Monday!

**Math:** We have started some work on Subtraction now in our Mental Math with strategies like Counting Back, and Counting Up.

**Social Studies:** We are continuing our unit on Canadian Community, now focusing on Canada's Global Connections. For homework this week, please have a brief discussion of some of the various imports and exports that Canada has with other countries, looking at some items around your own home.

**Grade 1&2 Gym:** We are working on Gymnastics!

**Spelling:** Lesson 28 for Friday, April 12: having, serving, loves, baked, trades, fried, bodies, luckier, funniest, carries

**Word Wall:** you, your, you're, come, from -> for Friday, April 12.

**Guided Reading:** Grade 2 students are making steady progress with their Reading Levels! In addition to reading aloud in their groups, students are also doing a follow up writing activity on their book as a meaningful way to aid comprehension, manage information and by working with the reading material at their level.

**Math:** We are working with addition and subtraction facts using manipulatives for related facts for various numbers such as 11, 12, 13, 14

**Music:** Good participation for the Easter Assembly grade 2's! We will start learning some new songs next week.

## **Grade 3: Mrs. M-E. Vandermeulen**

**Memory Work:** For April 12 – Psalm 64:1; April 19 – Psalm 108:1

**Memory Text:** For Apr. 12 – Psalm 32:1

**Church History:** We will have a quiz on Hendrik de Cock and the work God did through him on Wednesday, April 10.

**Spelling Words:** For Apr. 12 – suddenly, animal, finally, tiger, happily, forest, really, gold, sadly, wolf, fox, circus

**Word Wall Words:** For Apr. 12 – impossible, independent, lovable

*Here are two rhyme "stories" from this past week using the "ute" or "oot" ending/sound:*

"A cute brute played a flute and a lute on mute. He went to shoot an owl who went "hoot" and it went scoot. Then it went "toot" and found some loot which was an old boot!" ~ Samuel

"I saw a man wearing a boot that was having a hoot. Then I saw him shoot a goose. Next he pulled out a root and heard a trumpet toot. I told the man with the boot who was having a hoot to scoot and go where he was going." ~ Erin

**Math:** We have started part 2 of our Patterns & Algebra unit. We will be looking at patterns involving time, calendars, and number lines.

**Science:** We have begun our newspaper and tape bridge projects. Students were encouraged to use the tips they learned to make sure that their bridge would be stable.

#### **Grade 4: Mrs. Dykstra**

*Belated thanks to all the parents who came to parent teacher interviews. It's always nice to chat about a student's progress and clarify any questions or concerns. Students worked well this week. We hope you enjoyed the Easter Assembly. Please mark June 20 on your calendars. That's the day of our year end trip to Stonewall Quarry Park. It was very strange to book outdoor swimming and then see the kids in their snow gear right after! Welcome to Manitoba!*

**Memory Work:** Both Hymn 37:1 and the 7 times table (for speed) due Friday, April 12.

**Bible:** After finishing up our Easter activities we resumed our study of Ahab. First Ahab and Ben Hadad (1 Kings 20) and then Ahab and the Vineyard (1 Kings 21). Next week, we'll read about Ahab's defeat and death in 1 Kings 22. We will review the stories of Ahab and students will write a test on Ahab on Wednesday, April 10. On Friday we'll study 2 Kings 1 which deals with the reign of Ahaziah.

**Math:** Students were not ready to write the test on decimals this week. We will review on Monday and students will write the test on Tuesday, April 9. After which we'll have a combined review of fractions and decimals. Students will be tested on this cumulative material Friday, April 12.

**ELA:** Literature circles will continue for the novel *Sea of Ice* by M. Kulling. We will finish the novel next week and complete a summary activity for it. In addition students will be reading some mini mysteries for some extra reading practice.

**Writing:** This week I introduced the trait of Word Choice with the story *The Wolf who Cried Boy*. We started some preliminary planning, after which students will write recipes for their "boy" dish. This can get gruesome, so I appreciate your support when I limit what the students may include in their recipes.

**Spelling:** Lesson 25: Basic Word list: faced, crash, city, picture, mice, rocket, space, poem, ice, cricket, adventure, police, club, o'clock. Challenge Words: buckle, countryside, poetry, ticket, practice, adventurous. Surprise Words: provinces and territories. The unit and test will both be completed on Friday, April 12.

**Reading across Canada Challenge:** Next book is student choice and must be read by **Monday, April 8**. Our **book talk** will be on **Thursday, April 11**.

**Science:** On Monday, the grade 4's shared the instruments they had designed and constructed with Mrs. Vandenberg before the break. Then we began our new social studies unit on Canada's North. We first looked at Canada's location in the world and did some mapping of the provinces and territories, including the capitals of each. (Students will need to memorize these.)

Students also learned about latitude and longitude and the different regions of Canada as well. Next week we'll zero in on the North and focus our study on Nunavut.

**Phys. Ed:** Badminton skills: This week we practiced serving over the net. We will continue with that next week, as well as returning a serve.

#### **Grade 5: Miss Mans**

Heritage Fair is happening on Monday April 8<sup>th</sup>! The students have made a lot of progress and their projects are looking great ☺ Over the weekend the students should be practicing their oral presentation ensuring they are keeping in mind eye contact, gestures, volume, and expression. If there are any "extras" you want to add (props, costume, etc.) make sure this is done over the weekend as well. The Heritage Fair begins at 7pm but students should arrive at 6:45pm to get prepared.

Remember that the Spelling Lesson is also due on Tuesday...

**Patrols:** Week of April 8: Aiden, Kirsten, Morgan, Taryn

**Memory Work:** Hymn 2:3 and *the following week* Acts 2:1-4

**Bible:** We have been working on our Church History Unit using *Flame of the Word*. We have been studying the "Path of God's Church"

**ELA:** We will be moving onto another novel study, looking at the novel *The Breadwinner*. We will also be finally putting the finishing touches on our written myths.

**Math:** We have studied volume learning about  $\text{cm}^3$  and now  $\text{m}^3$ . The students even created a model of a  $\text{m}^3$ . We will be working on capacity (Litres etc.) next week.

**Social Studies:** We have been continuing on in our New France Unit and have recently learned various techniques to deconstruct paintings or artwork. We examined them keeping in mind the *point of view* of the audience and the artist. We were able to discover historical inaccuracies and brainstormed together why things might be portrayed a certain way.

**Gym:** We have continued our badminton unit. We have recently worked on our footwork and have been introduced to the forearm, backhand, and overhead shot.

**Spelling:** Spelling Lesson 26 is due on Tuesday April 9<sup>th</sup>. “Plural Possessives”. Watch where those apostrophes go!! Assigned is: *OP* 1, 2, 3; *DP* 1, 2; *EP* 1, 4; *CWW* 3.

Our words to learn are:

vacation, months, drivers’, hunters’, stock, rides, cattle’s, building, fence, ranches’, lightning, yelling, children’s, through, goes, strong

**5/6 Science:** Well done on the Space tests! This week we began our electricity unit. Students can look forward to more hands on activities and group projects as we experiment with electricity.

### **Grade 6: Mr. Folkerts**

**Industrial Arts:** The next I.A. will be on Tuesday, April 9.

**Patrols:** Madison & Kylee

**Memory Work:** Song: Psalm 106:1

**Spelling:** Lesson 24 – Looking Back. Remember to make all corrections from lesson 23. Write all list words in alphabetical order. Assignment: page 113-114 #2-7.

**ELA:** This week we began studying the novel “The Sign of the Beaver”. Studying this novel will have some similarities to previous novel studies. However, for this novel students will have more flexibility as to how they reflect on the novel. All assignments will be combined to create a portfolio.

**Math:** This week we’ve been working with equivalent fractions. Next we’ll look at ratios.

**5/6 Science:** Well done on the Space tests! This week we began our electricity unit. Students can look forward to more hands on activities and group projects as we experiment with electricity.

**Church History:** We’ve come to the end of our study on the Huguenots in New France. There will be a small test on Monday. Next we’ll study mission work in Brazil.

**Guitar:** Students have been enjoying any extra guitar time we can fit in during the day. They’ve been eager to test out new songs and learn new chords. On Friday students will be tested on *Yankee Doodle*, *Blues* or *Ode to Joy*, their choice!

**Social Studies:** We have been continuing on in our New France Unit and have recently learned various techniques to deconstruct paintings or artwork. We examined them keeping in mind the *point of view* of the audience and the artist. We were able to discover historical inaccuracies and brainstormed together why things might be portrayed a certain way.

### **Grade 7/8:**

**ELA 7:** Spelling Unit 23 due on Wednesday, W.w.w. 1, 4, 5; W & R 4; ED 1, 2, 3

**Science 7:** We finished our unit on Particle Theory of Matter. The Popsicle coolers are being tested on Monday, and students will have to hand in their reports. Instead of Forces and Structures we started our unit on the Earth’s Crust.

**Math 7:** Next week we will start Unit 7: Data Analysis.

**Math 8 – Thurs. – QUIZ** on Graphing Linear Equations using Tables of Values.

**Science 8 – Wed. – TEST** on Matter and Viscosity (Chapter 4).

**French 7:** We will continue to work on lesson 15 this coming week. We have been introduced to the verb ‘etre’ this past week and will focus how to use this verb in a sentence. Students will do well to memorize this verb as it is a verb that is often used. The quiz on etre will be written on Tuesday

**French 8:** Since we missed the quiz on Friday, we’ll write it on Tuesday. We will also be starting a new lesson this coming week. This lesson introduces the verb ‘venir’ (to come) as well as stress pronouns. Once again it is more of a concept heavy lesson rather than vocabulary focused. We’ll do plenty of exercises in class to practice these new concepts.

## **HIGH SCHOOL DIVISION:**

**Ref St 9:** This past week students worked on a biography assignment studying various famous reformers, or instrumental figures of the Reformation. Students will have some class time yet this coming week to finish up this assignment. For the rest of the week we'll study various incidents that hampered the spread of the Reformation including several religious wars.

**Science 10F** – Tues. – QUIZ on the Particle Theory AND on Physical & Chemical Changes (Chapter 5); Fri. – QUIZ – Classification of Matter AND Compounds & Elements.

**Choir 15G:** In Music History we continue to look at and listen to Vocal Music during the Classical Period. In Music Theory we will continue with Sharps, Flats, Naturals and Accidentals.

**SYO Business (Grade 9):** Project A due **Thursday, April 11.**

**English 10F:** Finishing our presentations on *Exits and Entrances*, PART TWO, before starting our unit on *To Kill a Mockingbird*. Novel reading and response due beginning of every class.

**Careers 10S:** Unit Four continues, on Job Seeking and Job Maintenance – in other words, how to find and get a job, and how to keep it! Work due every week during this unit.

**RefSt 21G:** We continue with Unit 2 where we continue with Abraham Kuyper until The Liberation.

**English 20F:** Short Stories & Poetry unit: Check classroom for great examples. READO journal due **Wednesday, April 10.** Anthology assignment has deadline every other day next week.

**Band 30S:** In Music History continue with Classism in the Arts. In Music Theory we will continue with Chromatic Scale, repeat signs.

**Canadian History 30S:** This past week the essay assignment was introduced. Students will have various checkpoints along the way to keep up the momentum. Although they will not receive a grade for each step, they will receive feedback on each step. Any missed step will result in a 10% reduction from the final grade. The first step, topic/ thesis proposal, is due on Tuesday. In class we are currently studying the early stages of Canada's growth, focusing especially on immigration and industrialization.

**DCA 35S** – Tues. – TEST on Chapter 6 (Functions & Data Organization); Thurs. – Start on the Chapter 7 Practices.

**Pre-Calculus 40S** – Tues. – QUIZ on Transformations of Sinusoidal Functions; Wed. – QUIZ on the Tangent Function; Fri. – QUIZ on Equations of Graphs of Trig Functions.

**English 40S (Grade 11/12):** Finishing up the **Restoration and the Eighteenth Century**. More presentations and first dramatized readings in next unit on **Romantic Age!** First journal on *Out of the Silent Planet* due beginning of **Wednesday, April 10.** Remember your anthology page.

**Reformed Studies 31G (Grade 12):** Test on Introduction to Ezekiel, on Friday, April 19.
